**VISUALIZING PEOPLE’S VOICES: DATA BY PEOPLE FOR PEOPLE**

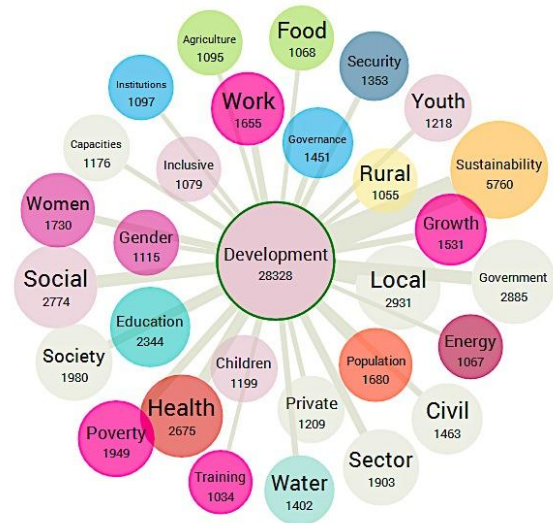

<http://www.worldwewant2015.org>

Date: May 16<sup>th</sup>, 2014

Time: 13:00-14:45

Location: ECOSOC Chamber, UN Headquarters, NYC

The World We Want 2015 Policy and Strategy Group invites you to attend launching the World We Want 2015 Trends page, which aims to be a one-stop-shop for data consumption and visualizations of the global conversation on Post-2015 and the Sustainable Development Goals.

This event will usher a new phase in the World We Want 2015 global conversation demonstrating data evolution from a consultation focused web platform to the visualization of data analytics and data curation as we develop a new set of global goals for a Post-2015 world
